ATR VERDICT: John Gosden has landed this prize three times in the last seven years and Nawassi is out of a Queen Mary winner, so any market support for her has to be taken seriously. Roger Varian introduces a couple of potentially nice types in the shape of Altyn Orda and Gilded Heaven, with the latter of particular interest. This can go the way of PEACE TRAIL, who represents the same connections who landed this prize last year with French Group 1 winner, Wuheida. Admired could be another name to note, but we might not see the best of her until next year for Sir Michael Stoute.

Top Tip: PEACE TRAIL (8)

Watch out for: NAWASSI (7)
