ATR VERDICT: Bonnie Arlene appeared to be floundering mid-race before staying on in determined fashion to reward favourite backers at Sandown last time but she seemed to have a hard race that day and will need to find a little more now upped 4lb. Fire Leopard is open to further improvement and enters calculations but TEWAFEEDJ gets the nod. The selection has been improving steadily and appeared to appreciate the step up to today's distance when hitting the target at Thirsk earlier this month; there could be more to come.
