ATR VERDICT: The highly thought of Simmy's Copshop looks to get his career back on track here and is one to consider along with Angel Force, who has chased home some likeable performers on his last few starts. Porchy Party has to be on the shortlist considering his connections' record at this venue combined with a favourable draw, however, the tentative vote goes in the direction of VISCOUNT LOFTUS, who is backed to follow up his Pontefract victory with Chester specialist Franny Norton in the saddle.

Top Tip: VISCOUNT LOFTUS (2)
Watch out for: PORCHY PARTY (8)
