ATR VERDICT: Angel Of Darkness is a pillar of consistency and shouldn't be fazed by the drop back from 7f, having finished a neck behind Pepita on her penultimate outing over this trip at Windsor. Of more interest, however, is BECK AND CALL, who is only 2lb higher than when scoring over C&D in June and hinted the return to 6f would suit when third over 5f at Windsor last month. Hindsight struck over 7f here latest and has place claims now cutting back in trip.

Top Tip: BECK AND CALL (6)

Watch out for: PEPITA (3)
