ATR VERDICT: FORT GABRIEL needs to leave behind his last run over the extended 2m6f at Stratford in order to figure but may improve for this stiffer test considering his last victory, at Newton Abbot in July, came over this longer trip. Little Windmill is only 2lb higher than when scoring over track and trip in April and is considered the main danger ahead of Fair To Middling, who was in contention for a place when falling three out at Southwell latest.

Top Tip: FORT GABRIEL (1)

Watch out for: LITTLE WINDMILL (3)
