ATR VERDICT: Holryale has been kept busy throughout the summer and has knocked on the door the last twice. Dan Skelton's five-year-old should be fully fit for this and is considered. Olly Murphy runs two newcomers to his Warren Chase base, with Ataman and Red House Hill, who is interesting having arrived from Charles Byrnes. However, preference is for THECLOCKISTICKING who was second to a handy bumper horse of Harry Whittington's on debut and could be under the radar here for a handler whose horses are running well at present.

Top Tip: THECLOCKISTICKING (6)

Watch out for: HOLRYALE (3)
