**ATR VERDICT:** Virgilio has form figures of 11531 at this track, with his only defeats coming in a 22-runner handicap hurdle and a Grade 1 novice chase, and he makes plenty of appeal. That said, a chance can be taken with ON TOUR, who is likely to be at a much bigger price. Evan Williams' nine-year-old has never finished worse than second in his starts that followed a 100-or-more-day break. One of those performances was his second-placed finish in this race last year from 2lb higher in the ratings where there was 28 lengths back to the third. Voix D'eau and Warriors Tale are others who could go well at decent prices.

**Top Tip:** ON TOUR (9)

**Watch out for:** VIRILIO (2)
