ATR VERDICT: CAUSE TOUJOURS was sent off favourite in the Champion Bumper at Cheltenham in March but he did not quite live up to expectations on that occasion. The same could be said about his hurdles debut at Uttoxeter but it is far too soon to be writing off this five-year-old. Theclockisticking and Canyon City are others with solid claims, while any market support for Maronette would have to be noted given her pedigree.

Top Tip: CAUSE TOUJOURS (4)
Watch out for: CANYON CITY (1)
