**ATR VERDICT:** An interesting novice contest to kick off proceedings with Paul Nicholls' Sussex Champion Hurdle winner Tommy Silver kicking off his chasing career, expected to eclipse the levels he produced over the smaller objects. Another slow burning project is OPTIMUS PRIME, and the five-year-old should be much fitter for his outing at Kempton recently. Dan Skelton has taken his time with the Deportivo gelding and he ran the highly regarded King's Socks to within a length and a half when chasing in France which offers enthusiasm he could take to his new challenge here. Behind Time is another who is enters consideration and a flatter track could help him out here.

**Top Tip:** OPTIMUS PRIME (3)

**Watch out for:** TOMMY SILVER (5)
