| <b>TIMEFORM VIEW:</b> A leap of faith is required in supporting HINT OF GREY, yet she wasn't seen to anything like best effect off a steady gallop at Carlisle on her most recent outing and, with a very capable 7 lb claimer taking over in the saddle, she could be worth chancing. Handicap-debutantes Green Or Black and David's Phoebe can emerge as the chief threats. |                                                                                    |         |                                                                            |             |                                  |     |
