Long Handicap: Gold Smoke 9 - 8

ATR VERDICT: FOLSOM BLUE was rated as high as 142 over hurdles at his peak and he won a handicap chase back in March off a mark of 127. The 10-year-old makes his debut for Gordon Elliott this afternoon and any market support would have to be a positive now back over hurdles off a rating of 123. Ask Nile has been running very well in novice chases this summer and he is another who may be underestimated by his current mark. Others to consider are Returntovendor and General Principle.

Top Tip: FOLSOM BLUE (6)
Watch out for: ASK NILE (4)
