ATR VERDICT: Gigginstown have a stranglehold on proceedings with four of the six runners, headed by Grade 2 winner A TOI PHIL and Galway Plate hero Balko Des Flos. The former beat the latter when they met at Gowran on the exact same terms they race off here and, despite the selection running slightly below par behind Disko at Down Royal, the same result looks likely here. Alpha Des Obeaux is arguably better at 3m but this looks his level, while Champagne West has run well fresh in the past so warrants a market check on his return to action.

Top Tip: A TOI PHIL (1)

Watch out for: BALKO DES FLOS (6)
