ATR VERDICT: A modest seller can go the way of SEARCHING, who may well have needed the outing last time on his first start for over 18 months and did previously have some winning form at Plumpton and Huntingdon. A first-time visor and drop in distance could prove key to the five-year-old, and he can land this before moving onto pastures new. Old Harry Rocks wears first-time cheekpieces but has shown very little in his last two starts, while the unexposed Cooperess is another name to note.
