**ATR VERDICT:** BARDD isn't the most straightforward but has been found a good opening against these rivals and, down to a mark of 110, the Sandown bumper scorer looks capable of exploiting such a rating on just his second start in handicap company. He represents leading connections and has a talented 3lb claimer doing the steering. Mullaghboy heads the list of dangers from Chilli Romance.

**Top Tip:** BARDD (1)

**Watch out for:** MULLAGHBOY (2)
