ATR VERDICT: The booking of Richard Johnson on SAUCYSIOUX looks highly relevant towards the chances of the seven-year-old and he can claim this contest following an 85-day break. She didn't look to fully handle Cartmel when last seen but still finished a creditable second and perhaps the return to a more conventional track, along with first-time blinkers, will see her claim the spoils. Broadway Belle is of interest dropped in class, while Station Closed remains open to improvement on just his second start for Michael Attwater.

Top Tip: SAUCYSIOUX (3)

Watch out for: BROADWAY BELLE (6)
