ATR VERDICT: PASSING CALL was only touched off by a potentially smart Nicky Henderson-trained mare at Uttoxeter last time out and that effort can be upgraded given that it was her first run for 267 days. She beat the rest of the field comprehensively and can go one better today. Oksana stuck to her task well last time out and should run with credit once more, while Banjo Girl has some smart form to her name and wears a first-time hood.

Top Tip: PASSING CALL (7)

Watch out for: BANJO GIRL (1)
