ATR VERDICT: Irish raiders have a solid record in general when travelling here for such contests and MERCURY was far from disgraced in a better race at Dundalk last time out. This step up in distance coupled with the booking of the in-form Martin Harley suggests that a fair effort is expected from the five-year-old. Silver Penny is in good form after finishing third at Southwell on Monday, while Whaleweigh Station continues to look fairly handicapped and is respected.

Top Tip: MERCURY (12)

Watch out for: SILVER PENNY (11)
