ATR VERDICT: DRACONIEN has had one outing in a French bumper and is worth monitoring closely in the betting on his return from a break, and also having his first start for Willie Mullins. Allardyce has been performing to a consistent level over 2m and this stiffer test is a potential source of immediate improvement. Recent Punchestown second Mighty Stowaway also commands respect, although Henry De Bromhead's new recruit Pallaskenry, a point-to-point winner, is feared most.

Top Tip: DRACONIEN (7)

Watch out for: PALLASKENRY (4)
