ATR VERDICT: There was obviously something amiss with DRUID'S DIAMOND as he pulled up after the first flight over C&D last month, but he is turned out a fortnight later and can take his first success over timber. Focaccia should find life easier at this level but has ultimately found it difficult to get off the mark, while Pixiepot is usually consistent and can bounce back to form after a below-par effort at Sedgefield last time.

Top Tip: DRUID'S DIAMOND (4)
Watch out for: FOCACCIA (1)
