ATR VERDICT: Supreme Steel has not been out of the top two in three starts since joining Dr Richard Newland in the summer and is likely to be involved once again here. However, preference is for PRESENT TIMES, who returned in winning fashion at Exeter to land a hat-trick and he looks a soft ground specialist who could excel here and continue his progression. Zanstra is respected, but will need to sharpen up his jumping, while Souriyen and Steel Summit are others to consider.

Top Tip: PRESENT TIMES (9)

Watch out for: SUPREME STEEL (6)
