ATR VERDICT: Song Light was a winner on his last Flat appearance, and remains of serious interest if arriving in the same form. However, there must be question marks regarding his temperament having refused to race two out of the last three times over jumps and been sluggish away on the other occasion. Therefore it may pay to side with Kim Bailey's SUNBLAZER, who was a handy winner at Newmarket earlier in the winter, before not being disgraced when third here last time over a trip which would have been on the sharp side. Vettori Rules and Rydan are regulars in these type of contests, while the Indian Frankel, Desert God, may have a future as a stayer.

Top Tip: SUNBLAZER (2)
Watch out for: RYDAN (4)
