ATR VERDICT: HUMAN NATURE was touched off by a nose over 7f here last time, getting worn down on the line, and it is possible he'll gain compensation for that defeat now cutting back in trip. Pearl Spectre, another who has been active over 7f lately, has the speed needed to give a good account now sprinting again, while both Bahamian Heights and Born To Finish have been running consistently well of late and cannot be left out of calculations either.

Top Tip: HUMAN NATURE (2)

Watch out for: PEARL SPECTRE (1)
