**ATR VERDICT:** LISP clearly improved for his debut run over hurdles when he was successful over C&D last month. That form was boosted when the second won a handicap off a mark of 124 by seven lengths on Boxing Day and, based on that evidence, this four-year-old will be very hard to beat today. Airtight and Way Out West are players based on their bumper form but they both need to improve upon their respective debuts over hurdles.

**Top Tip:** LISP (6)

**Watch out for:** WAY OUT WEST (5)
