| <p>Long Handicap: Sultana Belle 9 - 13</p> <p><b>TIMEFORM VIEW:</b> CEEGEM found 19f on the short side here last time and is worth another chance to build on the promise of his Kelso third in a race which has worked out very well. Ollisu Lad showed his first form when fourth here last time and could have more to come over this longer distance, while Sultana Belle has been third over fences on her last 2 outings and has a lower mark back hurdling.</p> |  |        |  |             |                                   |    |
