ATR VERDICT: OK CORRAL has always had a fairly lofty reputation but comes with his issues having only seen the racecourse once since April 2015 when he finished runner-up in a bumper to Yorkhill at the Punchestown Festival. He made a satisfactory start to his hurdling career when winning at Kempton last May and should be able to defy the 6lb penalty after a 247-day absence. His stable companion Whatswrongwithyou has shown plenty of ability combined with a quirky attitude, having finished second on hurdling debut behind Listed placed Ainchea, and will probably make it a 1-2 for the Nicky Henderson team. Sandro Botticelli was a Listed winner on the Flat and could be an interesting recruit to the National Hunt game.

Top Tip: OK CORRAL (1)
Watch out for: WHATSWRONGWITHYOU (12)
