ATR VERDICT: Up in trip for this all-weather/handicap debut after 136 days off, SURREY BLAZE scored over the extended mile at Wolverhampton a fortnight ago and a 6lb rise may not be enough to halt him here with scope for plenty more improvement. Headwear was two and a quarter lengths back in fifth that day and reopposes on 6lb better terms so should reduce the deficit. Forricherforpoorer could leave behind the form of his three qualifying runs now switching to the handicap ranks.
