ATR VERDICT: DOLPHIN VISTA was rated 102 when last seen on the Flat and a solid enough round of hurdling would more than suffice here for this classy five-year-old to make a winning start over the jumps. Captiva Island has first-time cheekpieces and Richard Johnson back on board after a couple of consistent efforts of late for Olly Murphy, while Potters Midnight probably needs better ground than this and might be seen to better effect when handicapping.

Top Tip: DOLPHIN VISTA (2)

Watch out for: CAPTIVA ISLAND (1)
