ATR VERDICT: Bloodsweatandtears isn't often far away and must enter calculations in this handicap, while Dor's Law got off the mark at Kempton last month but never looked like following up at Chelmsford just a fortnight later. Tigerfish shaped well at Lingfield recently, but this can go the way of SHARP OPERATOR. The selection may well have found his optimum distance over 10 furlongs and looks poised to go close here with improvement forthcoming.

Top Tip: SHARP OPERATOR (7)

Watch out for: DOR'S LAW (2)
