**ATR VERDICT:** GALILEE CHAPEL has bumped into a progressive rival the last twice, though he did get closer to the winner at the second time of asking when fourth and could be poised to strike now dropped in class. A 2lb drop in the weights looks generous, allowing him to run in this 0-60 grade, and he can account for Highwayman, who was second in a weaker race last time, and Tred Softly, who is nicely drawn here but isn't the most consistent of sorts.

**Top Tip:** GALILEE CHAPEL (2)  
**Watch out for:** HIGHWAYMAN (7)
