**ATR VERDICT:** STIFF DOCTOR ran his best race to date for Alan Phillips when fourth here last week and this step up in trip could spark further improvement from the eight-year-old, who also has the services of Sean Bowen on board once more. Basford Ben won well at Huntingdon on Boxing Day, though he seemed to struggle off a 7lb higher mark over course and distance seven days ago and eventually refused to jump the 14th hurdle, while Fearsome Friend has been running consistently and could be thereabouts.

**Top Tip:** SILENT DOCTOR (6)

**Watch out for:** BROTHER NORPHIN (5)
