ATR VERDICT: CHERRY OAK was touched off by under a length when second over 6f at Newcastle last time and is expected to go one better now dropping back in distance. Swissie is only 4lb higher than when scoring over this trip at Newcastle last time could be the one to put up most resistance, though Rock On Baileys commands respect after an authoritative success at Chelmsford in November and could also be primed for a big run.

Top Tip: CHERRY OAK (4)

Watch out for: SWISSIE (5)
