ATR VERDICT: MONTAGUE was claimed out of the Jamie Osborne yard after winning at this track last month and can be expected to improve now in the care of David O'Meara. The step back up in trip is also considered a positive for him given he is a C&D winner. Our Man In Havana rarely runs a bad race and could give the selection most to think about on these terms, while Immortal Romance could feasibly play a minor role if improving for this step up in distance.
