ATR VERDICT: Cainhoe Star has been knocking on the door of late and should run well again, while Arnarson can usually be relied on to give his running and he was in the mix again when finishing third at Kempton last time. However, SPARE PARTS has been a revelation since joining Phil McEntee's stable and registered his fifth success since the turn of the year when winning at Wolverhampton at the weekend. He has been expertly handled by his trainer and should have plenty more to offer.

Top Tip: SPARE PARTS (5)
