ATR VERDICT: Dual Flat winner DOCTOR BARTOLO has taken well two hurdles, striking the crossbar on both occasions, and he could make it third time lucky. Night Of Glory was better than the former on the level but you could argue that his Jumps form thus far hasn't been as strong. Nonetheless, he has shaped with promise and should mount a bold bid, while Kapdad also warrants respect for Gary and Johsua Moore.

Top Tip: DOCTOR BARTOLO (2)

Watch out for: NIGHT OF GLORY (6)
