ATR VERDICT: Towcester specialist SKIPPING ON is in great form and could easily be heading here on a hat-trick if not coming to grief when in contention last time. This is tougher now 7lb higher in the ratings but a sure-footed round of jumping should see the gelding on the premises once again. Glance Back was not disgraced here last time and has to be respected, with claims also given to the veteran Mondo Cane who was in the process of running a huge race when unshipping his rider at Fakenham.

Top Tip: SKIPPING ON (1)

Watch out for: GLANCE BACK (4)
