ATR VERDICT: Togoville wasn't beaten far over 7f here last time and will likely appreciate this drop back in trip, though he is drawn wider than ideal and will be looking to trap well to avoid being caught wide. It might be worth siding with ART NOUVELLE, who struck at Lingfield on a raid to the UK latest and is expected to be competitive off this 5lb higher mark now back on home soil. Master Speaker exploited the handicapper's generosity over C&D last time and has strong claims, despite a 6lb rise.

Top Tip: ART NOUVELLE (4)

Watch out for: MASTER SPEAKER (7)
