ATR VERDICT: Monkshood should give it his best shot on the front end under Jack Kennedy but he found Grade 3 company too hot to handle at Cork last time, returning a beaten favourite, and needs to bounce back. His stablemate, Burren Life, was in front of him in second that day and commands respect, though it might be worth taking a chance on easy 2m3f Clonmel scorer MOONSHINE BAY, who is a 3m point winner and could relish the step back up to this trip this afternoon.

Top Tip: MOONSHINE BAY (5)

Watch out for: MONKSHOOD (2)
