ATR VERDICT: ODELLO has shown marked improvement since switching to handicaps and looked an unlucky second behind a younger horse with more scope for improvement at Hereford a month ago. The seven-year-old has gone up 6lb for those exertions, although Tom Greatrex's 7lb claim certainly helps matters in that respect. Bisoubisou looked a shade fortunate to get off the mark over hurdles last time but does get in here off a fair mark, while River Dun needs a market check wearing first-time blinkers.

Top Tip: ODELLO (1)

Watch out for: BISOUBISOU (8)
