ATR VERDICT: DESERT WIND has the valuable experience of having picked up two successes since the turn of the year and the son of Worthadd can put that to good use against several newcomers of interest. Warburton is a half-brother to Bow And Arrow who won several races for the same connections a couple of years ago, while others to consider include Moon Of Baroda and Elysees who are both bred to get better with time.

Top Tip: DESERT WIND (1)

Watch out for: WARBURTON (7)
