ATR VERDICT: FREEBE ROCKS has benefited from the switch to the all-weather since the beginning of the year and finally got off the mark when landing the odds at Kempton at the beginning of the month. A 4lb rise in the weights looks more than fair for Michael Bell's gelding and he can record his second success of the year. Greeneyedafghan looks capable of better now applied with first-time cheekpieces, while The Night King and Kachumba look best of the remainder.
