ATR VERDICT: STRIKE IN MILAN was bought for 105,000 pounds by Roger Brookhouse following his second in a point 10 months ago and is now of serious note on his debut under Rules for trainer Tom George. Any market support for fellow newcomers Hero's Creek and Dominateur should be respected, with the latter coming from a useful family, while there should also be more to come from Thibault, who was third on debut. Today's extra distance can suit and he comes with an expensive price tag attached.

Top Tip: STRIKE IN MILAN (5)
Watch out for: DOMINATEUR (1)
