**ATR VERDICT:** CAUSE OF CAUSES is a bit of a legend at the Cheltenham Festival, having won three different races here throughout his career and has also finished second in the Kim Muir back in 2014. He took this contest 12 months ago and arrives here a fresh horse off the back of one outing at the Dublin Racing Festival in a handicap chase when never in contention. He is reunited with Jamie Codd, who has ridden him on all three occasions to success here, and there is no reason to suggest why he cannot make it a fourth. Tiger Roll has been given a similar preparation to his stablemate having run around here in December and his trainer has been complimentary about his chances with the dual Festival winner reportedly working very well at home. Bless The Wings appreciated more forceful tactics when winning here in December and a repeat of those will put him in the mix, while The Last Samuri is a fascinating contender with him being one of the classiest recruits to this sphere in a while.

**Top Tip:** CAUSE OF CAUSES (5)

**Watch out for:** TIGER ROLL (12)
