**ATR VERDICT:** ALBERTO'S DREAM has looked a different proposition since joining Tom Lacey and has bolted up on his last two outings at Lingfield and Leicester. He runs here under a double penalty but there is nothing to suggest he can't land the hat-trick with his rider's claim looking valuable and the opposition looking sparse. King Cool keeps dropping down the weights along with Upbeat Cobbler and they can fight out the minor honours.

**Top Tip:** ALBERTO'S DREAM (3)

**Watch out for:** KING COOL (1)
