**ATR VERDICT:** OAKLEY HALL was last seen when taking a crashing fall at the last in an EBF qualifier at Doncaster behind King Of Realms at the end of January and the step up in trip, along with first-time cheekpieces, looks ideal for Jonjo O'Neill's gelding. As I See It has shown some solid pieces of form and has to be respected, while a wind operation should help Circuit Court as he stopped very quickly at Kempton when making his debut for Paul Webber.

**Top Tip:** OAKLEY HALL (5)
