ATR VERDICT: SHEELBEWHATSHEELBE remains unexposed over this sort of distance and looks poised to appreciate a return to this venue after toiling at Plumpton last time out off 1lb higher. Mitchell Bastyan is one of the better conditional riders on the circuit and takes the ride this time, while the return to softer going is another positive. Whispering Harry drops in class and could go well, while Jasani needs a market check after a 723-day absence.
