Timeform says: *Has improved since joining Willie Mullins, winning big handicap chases on first 2 starts this season prior to landing a nice pot back over hurdles last time. Each-way claims.* ★★☆☆☆ (Forecast 23.00)

Notes:

TIMEFORM VIEW: MIGHT BITE has his quirks, as shown when nearly throwing away the RSA at this meeting last season, but there's no doubting he's one of the very best chasers around at the moment and is the one they all have to beat. Native River has had an ideal preparation and should make a bold bid to better last year's third, while Our Duke heads a strong team from Ireland.
