**ATR VERDICT:** INEFFABLE showed plenty of grit when beating an in-form rival here last month and the five-year-old should be very competitive once more despite a 5lb rise. Specific Gravity isn't getting any younger but seldom runs poorly at this venue, while Trump Card ran well over an insufficient trip at this track last time and should appreciate this extra couple of furlongs. Marino Marvel had his excuses for a poor effort last time and could bounce back.

**Top Tip:** INEFFABLE (3)

**Watch out for:** SPECIFIC GRAVITY (2)
