**ATR VERDICT:** The one that stands out is clearly WEEBILL, who arrives here with an official rating of 123 having made the frame in some very competitive novice/maiden hurdles earlier in the season. A reproduction of his second-placed finish at Warwick last month would make him extremely hard to beat this afternoon. The rest do not inspire too much confidence but Telegraph Place and Wisecracker look the best of them.

**Top Tip:** WEEBILL (4)

**Watch out for:** WISECRACKER (5)
