ATR VERDICT: SAO won over hurdles in his native France and he is fully entitled to improve for his recent debut for these connections at Wincanton last month. Distingo is a proven winner and has an official rating of 129 but he was beaten under a penalty last time out. Going Gold, Lord Duveen and Grapevine are others to consider in a wide-open event to open the card.

Top Tip: SAO (8)

Watch out for: DISTINGO (1)
