ATR VERDICT: PRESENT FLIGHT ran well at Ayr in January on his return from a 21-month absence when second and brushed aside any potential doubts over the 'bounce' factor when third at the same venue 19 days ago for Lucinda Russell. The nine-year-old will appreciate this drop in distance and could have enough to land this, despite doubts over his ability to handle heavy ground. Wings Of Smoke isn't getting any younger but should run an honest race, while course winner Cobajayisland wears a tongue-tie for the first time and is respected.
